#### Call for Workshops

Please consider submitting an idea for a workshop that you would like run during the meeting. We can accommodate 45 minute and 90 minute workshops in the programme. Ideas for workshops that you would like to participate in are welcome, even if you do not want to deliver them.

#### Call for Papers and Posters

You are encouraged to submit abstracts for oral papers and posters, please specify preference with your submission. If you would like help with preparing an abstract please contact Inge Geerink ([g.g.m.geerink@saxion.nl](mailto:g.g.m.geerink@saxion.nl)).

Abstracts should be submitted via the EACE website:

<http://www.eaceonline.com/>

#### Abstracts

All abstracts will be peer reviewed by members of the scientific committee, and those accepted will be published in the programme and abstract booklet.

If you would like help in the preparation of your presentation or abstract, support and mentoring is available. Please contact Inge Geerink ([g.g.m.geerink@saxion.nl](mailto:g.g.m.geerink@saxion.nl)) for details of the support for abstract development.

Final acceptance of abstracts is contingent upon the receipt of registration fees for the meeting.

#### EACE Mission Statement

To improve clinical outcomes through the education and training of individuals involved within the cancer and palliative care continuum and to facilitate communication and networking between those involved in cancer education.

#### EACE Objectives

- To improve interaction between policy makers, educators and those involved in the continuum of care of patients with cancer
- To support the translation of theoretical concepts into clinical care, for the benefit of patients, through research and education
- To provide training that enables individual educators and practitioners to:
  - develop their practice using evidence-based approaches
  - identify their needs for personal and professional development
  - develop the skills necessary for reflective practice
  - determine the effectiveness of their educational interventions

#### EACE Membership

A discounted EACE membership fee is included in the conference registration cost for non-members, but membership is open to those not attending the meeting.

- EACE membership includes a subscription to the online version of the *Journal of Cancer Education*
- You can upgrade your membership to include a hard copy of the journal, delivered to your door
- Full details of membership options are provided on the EACE website
